S

After school, Willie went to the _____.

- park pool store beach

Look at the picture. It will help you answer the questions.

- 1 Pat was _____ with the dog.
 eating playing reading swimming
- 2 She threw the _____ to the dog.
 stick ball rock shoe
- 3 The dog has a black _____.
 foot tail ear spots

It was Saturday. Mr. and Mrs. Long woke the children early. They were going to a parade. They would stand where they could see the parade well.

S Where is the Long family going?

- To the zoo
- To a parade
- To the beach

Look back at the story to find the answer.

Uri's mother came home from work one day with a strange-looking machine. She told Uri it was a fax machine, something she used for her job.

His mother plugged the fax machine into the phone line and the electric outlet. Uri wanted to send a note to his father at work. His mother put the note in the fax machine, and off went a copy to Uri's father.

Later, Uri heard the phone ring. He was surprised when the fax machine answered the phone. Uri was even more surprised when a note from his father came out of the machine. It said, "Hi, Uri. I'll be home soon."

1 Who came home first?

- Uri
- Uri's mother
- Uri's father

2 What must Uri's father have at work?

- A television
- A fax machine
- A computer

3 How does a fax send information from one place to another?

- Through the television antenna
- Through electric lines
- Through telephone lines

S1

- I and my sister went to
- the zoo. We saw lots of
- animals and had a good time.

S2

- My father takes good
- care of his kitchen knives. He
- sharpens them every day.

Use the meaning of the story to find the answer.

1

- Once a week the animals get
- a treat. The dog gets a bone,
- and the cats gets warm milk.

3

- Rain poured from the sky
- like a waterfall. Amazing. It
- seemed it would never stop.

2

- There are many womens in
- my family. Mom has six sisters
- who have five daughters each.

4

- The tree planted James at
- the old family farm. It was an
- oak to honor his grandfather.
