

The First Dog

Written and illustrated by Jan Brett

LONG, LONG AGO in the great days of the Pleistocene, Kip the cave boy bounded down the trail on his way home.

He avoided the Aurochs, the Cave Bears, and the Megaceros. He evaded the Woolly Rhinoceros, the Wild Horse, and the Mighty Mammoth.

But he was getting tired and hungry and he was still a long way from home.

In this exciting tale of adventure in prehistoric times,
Paleowolf befriends Kip the cave boy and becomes the first dog.
