SCHOOL BUS

Every class probably learns about plants and seeds.
But not every class has Ms. Frizzle for a teacher.

When Ms. Frizzle does something, she goes all the way. She started by letting us plant a whole garden behind our school.

Liz! You've
found a
ladybug!

A photographer was coming
to take a picture of our garden,
so we all wanted it to look its best.

Ms. Frizzle's class is growing a beautiful garden. But Phoebe's favorite flower is back at her old school! So, the class climbs aboard the Magic School Bus. And, of course, the kids don't only go back to Phoebe's school, but they go *inside* one of Phoebe's flowers!

Follow the kids' adventure and learn how living things grow.

From an episode of the animated TV series produced by Scholastic Entertainment Inc. Based on *The Magic School Bus* books written by Joanna Cole and illustrated by Bruce Degen.
