

MARC BROWN

ARTHUR'S EYES

AN ARTHUR ADVENTURE

This is Arthur before he got glasses.
He looked fine, but he
couldn't see very well.
Sometimes he got headaches.

Arthur had to hold his book so close
that his nose got in the way.
He couldn't see the board.
Francine had to read

Arthur the problems.

"Are you blind?" she always asked.

Francine got every problem right.

Arthur didn't.
