SLINKY SCALY SNAKES!

JENNIFER DUSSLING

Slinky, scaly snakes
slide along the ground.

Snakes have no legs.
They move in long, slinky curves.
The ground may look smooth
but it has little bumps everywhere.
A snake pushes off the bumps
to move itself forward.

A fox meets a whipsnake

But what are snakes afraid of?
Hawks, raccoons, and foxes
like to eat snakes.
Some snakes eat other snakes.
But many snakes have ways
to fool their enemies.

Look into the secret world of snakes. See them poison their prey, play tricks on their enemies—and slip out of their skins!

DK READERS

Stunning photographs combine with lively illustrations and engaging, age-appropriate stories in DK READERS, a multilevel reading program guaranteed to capture children's interest while developing their reading skills and general knowledge.

	<p>Learning to read</p>	<ul style="list-style-type: none"> • High-frequency words • Picture word strips • Labels to introduce and reinforce vocabulary
