

Hi, my name is Barney Bear.
I like to travel everywhere.

From the bottom of the ocean
To the hot desert sun.
Read my postcards one by one.

Greetings from
the
coral
reef

Dear Mom & Dad,
Under the sea
is a fun place!
I saw fish, crabs,
sea stars, and
clams. I like all
the pretty colors.
I wish you were
here.

Love,
Barney

Greetings from

The
RAIN FOREST

Dear Ted,
I am in the rain
forest. There are
so many trees
that I can't see
the sky!
I saw a sloth, a
parrot, and lots
of monkeys.

See you soon,
Barney
