

Dog: Hi Cat! What are you doing?

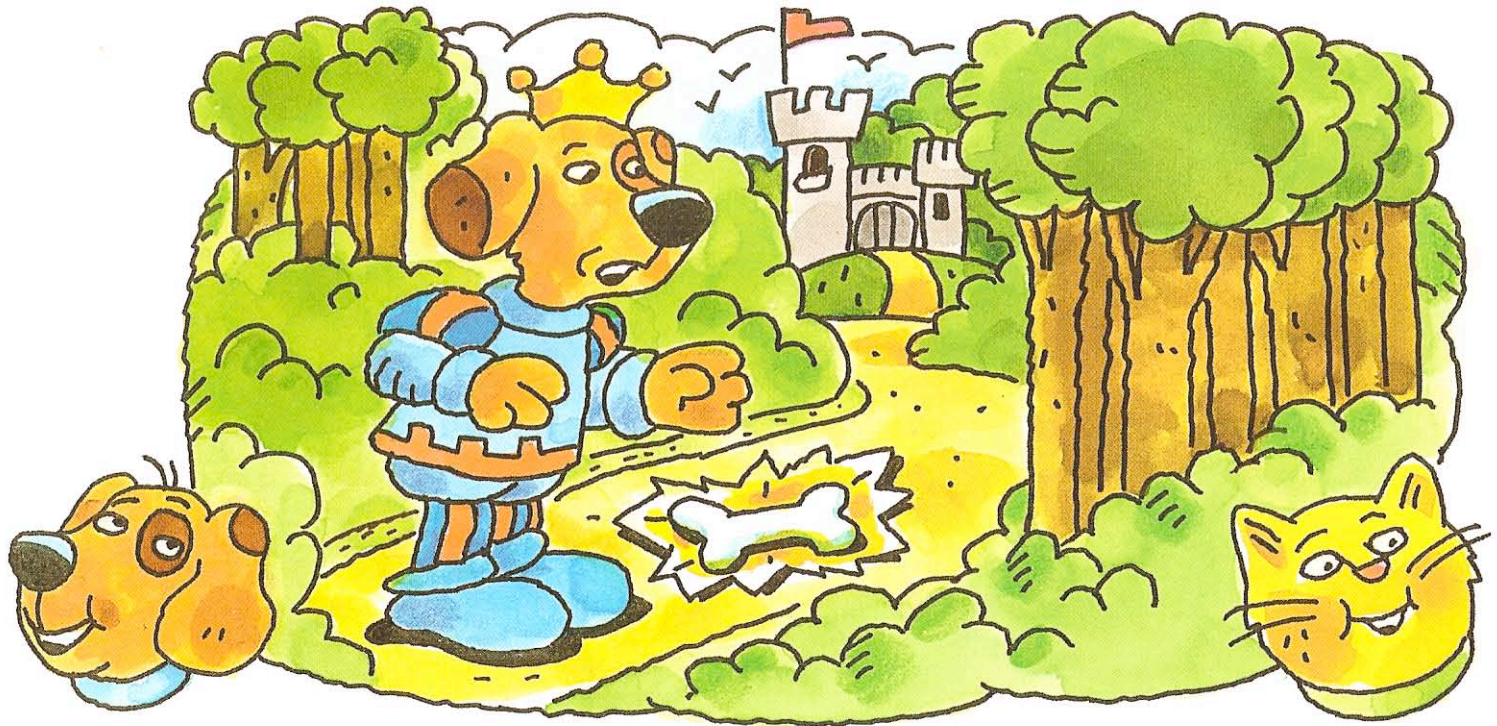

Cat: I want to write a really good story.
But I need a little help.

Cat: I need a beginning for my story.

Dog: How about . . .
Once upon a time?

Cat: Wonderful! Keep going.

Dog: Once upon a time, a handsome prince found a magic bone . . .

Cat: Where did he find it?

Dog: on a path in the middle of the enchanted forest.

Cat: Great!
Do you know what the story needs now?

Dog: What?

Cat: A middle. This story needs a middle.
What happens to the prince after he finds the magic bone?
