

A green frog with blue spots is perched on a dark, wet rock. Below it, a dark, bumpy toad sits on a patch of green moss. The background is a soft-focus natural setting with brown leaves and green plants. The title 'Frogs and Toads' is written in large, orange, 3D-style letters with a white outline, positioned in the upper right quadrant.

# Frogs and Toads

by Ellen Catala

Splash! What was that?  
Something just jumped into the water.  
Was it a frog or a toad?

frog eggs

Frogs and toads lay their eggs in water.  
The babies that hatch are called **tadpoles**.
