

A bed
for the
winter

KAREN WALLACE

A fluffy-tailed dormouse
stops by a meadow.

A golden-eyed toad sleeps
under a stone.

It is muddy and wet
and the toad's skin is cold.

A family of rabbits
hop into their burrow.
They live underground
when the weather is cold.
But there are too many rabbits
to make room for a dormouse.

As the weather turns cold, all sorts of animals are looking for a place to sleep through the winter.

DK READERS

Stunning photographs combine with lively illustrations and engaging, age-appropriate stories in DK READERS, a multilevel reading program guaranteed to capture children's interest while developing their reading skills and general knowledge.

	<p>Learning to read</p>	<ul style="list-style-type: none"> ● High frequency words ● Picture word strips ● Labels to introduce and reinforce vocabulary
